State House, Room 243
Boston, MA 02133

Dear Senator Brewer and Representative Dempsey:

Pursuant to Massachusetts General Laws Chapter 10, Section 10, the Office of the State Treasurer and Receiver General and the Executive Office for Administration and Finance hereby submit the current cash flow forecast for fiscal year 2012.

Certain cash items, such as the balance of the Stabilization Fund as well as a number of other funds, are required to be categorized as segregated and do not contribute to the Commonwealth's "pool" of non-segregated cash balances. These segregated items are statutorily restricted for a specific purpose.

Please note that the fiscal year 2012 cash flow forecast projects monthly cash closing balances. Given the variable nature of state cash expenditures and revenues, the daily cash balances often differ greatly from the projected monthly closing balance.

Summary of Fiscal Year 2011

Fiscal year 2011 opened with a non-segregated cash balance of \$844.3 million and ended with an overall increase in the cash balance of \$1,356.1 billion to end the fiscal year at \$2,200.4 billion.

Highlights of Fiscal Year 2012

Fiscal year 2012 is based upon the General Appropriation Act (GAA) signed on July 11, 2011; all supplemental appropriations filed, enacted or anticipated and includes all prior appropriations continued into fiscal year 2012. Fiscal year 2012 projections are based on actual spending and revenue through July 2011, and estimates for the remainder of fiscal year 2012.

Total spending in the final fiscal year 2012 budget approved by the Governor amounts to approximately \$30.598 billion. The budget assumes tax revenues of \$20.615 billion, reflecting the fiscal year 2012

*The use of the term "fiscal year" is generic, meaning the period from July 1, 2011 to June 30, 2012, rather than as the term is specifically defined for budget purposes. This is because for cash purposes the "fiscal year" includes "accounts payable" activity for fiscal year 2011, and excludes "accounts payable" activity for fiscal year 2012.

consensus tax estimate of \$20.525 billion, which was adjusted for the impact of revenue initiatives enacted as part of the budget - most notably a one-year delay of the FAS 109 deductions (\$45.9 million), enhanced tax enforcement initiatives (\$61.5 million), and the impact of a two-day sales tax holiday (-\$20.5 million) held on August 13-14, 2011. The fiscal year 2012 budget authorizes a \$200.0 million withdrawal from the Stabilization Fund, the use of fiscal year 2012 interest earnings on the Stabilization Fund and an additional \$103.7 million in savings achieved by suspending the statutorily required deposit into the Stabilization Fund of 0.5% of total tax revenue. In addition, there was a one-time tax settlement payment in excess of \$10 million received in August. A new statutory provision passed as a part of this year's budget requires one-time settlement payments in excess of \$10 million to be deposited in the Stabilization Fund. The fiscal year 2012 budget projections contained in this cash flow forecast assume a transfer of \$185.0 million from the Stabilization Fund rather than the authorized \$200.0 million. On that assumption, the Stabilization Fund is projected to have an \$884.0 million balance at the end of fiscal year 2012.

The Commonwealth's five-year capital investment plan, which is reviewed annually, calls for fiscal year 2012 bond issuance of approximately \$2.07 billion, which includes \$1.75 billion in bond cap and an adjusted \$320.0 million of borrowing for the Accelerated Bridge Program. The amount projected to be needed to fund Accelerated Bridge Program spending needs in fiscal year 2012 has been revised downward by approximately \$172.0 million since, taking advantage of favorable market conditions, that amount was funded with the December 2010 Accelerated Bridge Program bonds sales. For cash flow needs for fiscal year 2012, Treasury expects to issue approximately \$800.0 million in Revenue Anticipation Notes in October or November 2011 with repayment in the final quarter of fiscal year 2012.

Treasury, Administration and Finance, and Comptroller staffs continue to meet regularly to monitor the status of the Commonwealth's cash position. Please feel free to contact our respective staffs if you require additional information.

Sincerely,

Steven Grossman
Treasurer and Receiver General

Secretary of Administration and Finance
